THANKSGIVING DAY

BUSINESS HALTED AND CHURCHES JOINED IN GENERAL OBSERVANCE

THE CHILDREN'S DINNER

By the Elks Was a Big Affair, Sixty of Them Being in Attendance—They Had a Good Time.

Thanksgiving services yesterday morning at the First M. E. church were well attended and very effective. The proclamation was read by Rev. L. M. Hale and the sermon preached by Rev. S. D. Harkness. The special music was a solo by Rev. G. S. Cox, "Fear Not Ye, O Israel," by Buck and an anthem by the choir, "The Earth is the Lord's," by Simper.

Rev. Harkness departed from the usual order of Thanksgiving sermon and went to the heart of the matter in a beautiful and appealing sermon on the text "In everything give thanks."

He showed how it was the spirit of Paul, of Christ and His followers to give thanks not only for the things of prosperity and peace, but that every experience of life was to be taken as a gift of God and our whole life was to be lived upon the high plain of gratitude to the Father.

The Elks' Dinner.

The Thanksgiving dinner given at the Elks clubhouse for the poor children of the city by that club was a great success, and there were sixty children in attendance. The dinner was held in the basement of the club and consisted of chicken and other good things to eat. There was plenty of ice cream and cake and each child was given candy after the dinner to take home with them.

The children came to the club about 12 o'clock and were entertained in the lodge hall with music by Glenn Goff. Dinner was served about 12:30 o'clock. Many of the children said that they ate so much that it will be a day or so before they will eat again. And they had a great time, as they were all happy and glad.

The Elks will make this an annual affair for these children between the ages of 6 and 15.

About John S. Gross' Hen That Won in the Second Egg Laying Contest.

She laid twelve times her own weight in eggs. She manufactured more pounds of eggs from her body weight than any hen in existence.

A GOOD EXHIBIT HIS LAST SERMON

DISPLAY IN MONTGOMERY SHOE CO'S WINDOW.

TRAINING SCHOOL WORK REVIVAL CLOSE SUNDAY

A Number of Towel Rollers and Bookends Made at Normal Under Direction of Glen Luken.

This morning the Montgomery Shoe company placed in their show window a number of towel rollers and bookends made by the seventh and eighth grade boys of the training school of the Fifth District Normal.

The exhibit consists of work done in the term of ten weeks just passed, and when it is taken into consideration that the program only allows three periods a week for this work, we can see that the boys have done quite well.

Under the direction of their teacher, Glen Luken, they first made a mechanical drawing of the project upon which they were to work. The next step was to make the lumber bill, find how much lumber would be required for all, and how much would be required for each. After this was done they made the mill bill, got out their pieces from or by the mill bill and then began the actual work of construction.

While these pieces are small and of little worth, yet in their construction are involved some of the more difficult points that the wood worker has to meet.

The problems in these constructions were measuring, squaring, marking, sawing, planing, gauging, chamfering, boring, chiseling, scraping, sanding and finishing. When it is taken into account that all of this work was done by hand, with hand tools, by ordinary school boys of the seventh and eighth grades, we feel that we will have to modify our criticism of the public school system and admit that some schools do teach some of the practical things of life.

A FINE ENTERTAINMENT.

Children of Ward Schools Delighted a Large Audience at the High School Auditorium Wednesday.

It would indeed be difficult to tell all the merits of the entertainment given by the children of the ward schools of this city last Wednesday evening in the high school auditorium.

The children performed their parts so well and showed the training they had received from their teachers so creditably that it would be repetition from start to finish to tell about each one on the program. It was a Thanksgiving program and that is the reason, we are quite sure, that everyone looked so happy Thanksgiving day, the spirit of thankfulness got such a good start through the children's entertainment.

The Indian play was great, forty little folks in Indian costume presenting a scene from Hiawatha.

Margaret Louise Hosmer was the exact picture of a little Puritan Maid in her recitation, while movements given from the minut to twenty wee women in complete colonial costume was the sweetest sight one could wish to see. And then the pumpkin drill, and the first Thanksgiving, and the recitations by Donald Goforth, Olive Ewing, Edward Tindall, Elwyn Broyles, Eldon Green, Dorothy Allen, and—well, every bit of it, by those whose names we do not know were fine. And every boy and girl deserved a fine dinner next day for the pleasure they gave to all who heard them, and we hope they got it. Teddy Borchers was the star dancer in the last number, "A Swedish Folk Dance," by twelve boys, but they were all good dancers.

A Mystery Solved," told in D. N. Scott's letter on another page.

DIED AT THE HOSPITAL.

Floyd Miller of the Star Theater Died Friday About 1 o'clock, After a Week's Illness.

Floyd Miller, proprietor of the Star theater, died about 1 o'clock Friday afternoon at St. Francis hospital, after a week's critical illness of uremic poisoning.

Mr. Miller was taken seriously ill about a week ago but had not been feeling well for several days before that, but was able to attend to his business. Last Tuesday he was taken to St. Francis hospital for treatment. He was thought to be improving Tuesday and Wednesday, but his condition became worse Thursday night.

No funeral arrangements have been made. Mr. Miller was born in Maryville, October 1, 1875, and was a son of the late John B. Miller. His mother is Mrs. Wesley Shroyer of this city. He was twice married, the first time to Miss Mary Johnson of York, Mo., whose death occurred three years ago.

His second marriage was to Miss Dessa Pearl Cox of Maryville, daughter of Mr. and Mrs. John B. Cox. They would have been married two years had he lived until the first of January. He is survived by his wife and 9-months-old daughter. Also two brothers and two sisters.

CAUGHT A BIG EAGLE.

It Was a Gray Eagle and Measured Over Seven Feet From Tip to Tip.

While Henry Markwell and Jim Sheridan of this city were out hunting Thanksgiving day on the 102 river on the Goodspeed farm, southwest of the city, they captured a big gray eagle, measuring seven and a half feet from wing to wing. They shot its wing and capture was easy after that.

This eagle has been seen in that community for a few years and is probably the only one known in the county. An eagle in these parts has not been seen or captured for a long time. The eagle was still alive Friday and is being kept by Charles Jensen.

The Frank-Bellows Nuptials.

Kinsfolk from near and far assembled at the home of Mr. and Mrs. Walton Craig Frank, Thursday evening, and witnessed beautiful ending of a genuine Thanksgiving day, in the marriage of the youngest member of the Frank family, Miss Ella Walton Frank, to Mr. Dale Bellows, eldest son of Mr. and Mrs. Charles D. Bellows.

Miss Helen Dunn of Bolckow greeted the guests at the door and directed them upstairs, where they were received by little Miss Margaret Louise Hosmer, who showed them the way to the dressing rooms. Descending to the parlors the guests were received by Miss Marie Brink, a cousin of the bride, and the parents of the bride and groom, Mr. and Mrs. W. C. Frank and Mr. and Mrs. C. D. Bellows, and seated by the parlor hostesses, Mrs. J. R. Brink, Mrs. F. I. Dunn and Mrs. Arch K. Frank.

After the arrival of the guests, Miss Mildred Jean Robinson, in voice as sweet as the songs she sang, gave the old familiar love song, "Believe Me," by Thomas Moore, and "Since You Loved Me," by Sanderson, with Miss Gertrude Wright accompanying.

The approach of the bridal party was announced in the opening strains of Mendelssohn's wedding march, played by Miss Grace Sturm. The procession, led by Master Donald Bellows, who carried the wedding ring in the heart of a white rose, wended its way to the music room, where the ceremony was performed. Following the ring bearer were the little flower girls, Eva Margaret Frank and Esther Ardelia Roseberry, looking like little fairies in their white dresses and pink ribbons, and carrying baskets of pink and white roses. They made a white ribbon aisle as they came from the hall to the altar for the bride and groom to pass through.

The matron of honor, Mrs. Glen Beau Roseberry, sister of the bride, came next, followed by the best man, Mr. Fred Bellows, a brother of the bridegroom. Then came the bride and groom, who took their places before an altar of ferns and pink and white chrysanthemums, where the officiating clergyman, Rev. Robert L. Finch of the First Christian church, met them. The sacred vows were plighted in a beautiful ring service.

The bride, always winsome and fair to see, was beautiful in her robe of white silk crepe meteor, fashioned in simple and becoming drape style, en train, with soft trimmings of lace, chiffon and pearls. Her long white veil was held in place by small clusters of orange blossoms. Her bouquet was of bride roses and orange blossoms. The orange blossoms were the gift of Mrs. F. O. Hubbell of Los Angeles, Cal. The only jewelry worn by the bride was the bridegroom's gift, a gold filigree lavaliere.

The bride's traveling suit was of Saxe blue wool poplin, with a small black lace trimmed hat.

After congratulations and happy wishes from the company, all were served to a wedding luncheon in the dining room, where pink and white chrysanthemums were exclusively used for decoration in the bridal colors, pink and white. Serving in the dining room were Mrs. Arch K. Frank, Miss Clara Bellows, Mrs. Fayette Bellows and Mrs. Fred Kurtz, assisted by Misses Nelle Conrad, Helen Dunn, Gertrude Wright, Grace Sturm, Marie Brink, Mary Frank, Mildred Bellows and Mildred Robinson.

Many lovely gowns were worn that combined in making a pretty setting for the unusually attractive bridal couple.

Mrs. Roseberry, maid of honor, wore pink charmeuse with trimmings of marabou, lace and pearls.

Miss Marie Brink, pale green charmeuse with overdress of flowered chiffon, trimmed in pink rosebuds and lace, and corsage bouquet of violets.

Miss Helen Dunn, pale blue charmeuse with lace trimmings.

Mrs. W. C. Frank, pale gray silk poplin, simply fashioned with touches of lace.

Mrs. C. D. Bellows, white charmeuse with lace trimmings.

Mrs. F. I. Dunn, light tan silk with lace.

Mrs. Arch Frank, white embroidered voile and lace.

Mrs. J. R. Brink, black and white crepe de chine.

Miss Mildred Robinson, brocaded chiffon in light blue, trimmings of shadow and silver lace.

Miss Grace Sturm, pale blue brocaded chiffon, trimmed in French rosebuds of pink and shadow lace, with band of brilliants in her hair.

The bride and groom left on the 9:45 Wabash train for St. Louis on a short honeymoon trip. They will be at home at Parkdale, the widely known Bellows stock farm, two miles southwest of Maryville, before many days.

They start the journey of life together propitiously. Though quite

young, they have been well trained for the responsibilities they will assume at Parkdale, and will fully sustain its splendid reputation of the past in social and business life.

As the bride went upstairs to prepare for her wedding journey, she threw her bouquet away from the upper landing, and it was caught by her cousin, Miss Marie Brink, all the guests agreeing it was a fair catch, and that the earnest of that sweet prophecy of wedding affairs will come true one of these fine days.

Of the many beautiful wedding gifts received by the bride, one of special value to her was a handsome guest book from Miss Nellie Douglas, containing account of all the pre-nuptial affairs. Each guest's name was inscribed therein before departure.

Mrs. Bellows studied three years at Drake university in Des Moines after finishing the schools of our city. She is an active member of the First Christian church, and though she has always been an acknowledged favorite in every circle she has moved, she has reached young womanhood unspoiled, and is ready to begin her duties with the clear vision of a gentle, sensible, cultured, Christian woman.

Mr. Bellows studied two years at Northwestern university at Evanston, Ill., after finishing the Maryville schools, and last June completed a three years course in the agricultural college at Ames, Ia., and is a member of the Phi Kappa Psi fraternity. He has been a valued assistant to his father for several years, and is in every way worthy of his fair young bride.

A MYSTERY SOLVED OR HOW to BUY a PIANO CHEAP

Read and Be Convinced

Since closing out our store, some two years ago, we have been selling pianos and players direct from factory to our customers, placing same in their homes if necessary, for their inspection, and to try out to their own satisfaction. We find this new plan of selling direct from factory very satisfactory to both us and our customers as well. By this plan we are enabled to save many dollars, in the way of expenses, such as store rent, extra freights and drayage, electric lights, hired help, etc., which must naturally be added to prices where a store is maintained. We have had this plan in mind for some time, but could not adopt it until we could get lined up with the proper manufacturers. This we have done, both with the well known Hallet & Davis Piano Co., Boston, Mass., and the old popular Packard Co. of Fort Wayne, Ind., both time tried companies. Many of these pianos were sold by us twenty years ago, and have stood the test of time, and are good for twenty years more. By our new selling plan we are in a position to give our customers a strictly high grade instrument for less money than our competitor can afford to sell the inferior grades, so it is needless to own a poor piano and pay an exorbitant price. We sell these high grade pianos on easy terms if desired, with heavy discounts for cash, where one wishes to take advantage of the cash basis. Remember, we sell one of the most reliable Player Pianos on the market today, that has proved itself very durable, and has never given our customers using same a moment's trouble. This player is known as the Virtuolo, made by the Hallet & Davis Piano Co., Boston, and has been nationally advertised by them in many of the leading magazines, Saturday Evening Post, Collier's and others, at a cost of fifty thousand dollars. This Virtuolo player has become very popular for many reasons: Plays with better expression, very simple to manipulate, operator has perfect control and can make the softest possible tones, and at will can play with the power of an artist. And with our plan of selling direct from factory you can own one of these distinguished Player Pianos for about the price of an ordinary piano. If interested in a piano or a player piano, write us for description and prices, which we will gladly furnish, and mail you our little book, called "Inner Beauty," showing the possibilities of this wonderful Player Piano. Take one into your home, try it out thoroughly, compare it with any of the other makes, and note the results.

The coming of the fourteen car loads of boosters from Whitesville was not known in time to prepare extra turkey for them, but the ladies served them so well that they fared better than on the day previous at the Robidoux in St. Joseph, where everything was done up in great style, but no so much to eat.

AFTER GRIPPE,

Made Strong by Vinol.

John C. Furman of Clarion, Pa., says: "After a very severe attack of the grippe my system was in a weakened, nervous and run-down condition, I had no appetite at all. I was obliged to continue with my work, and nothing seemed to help me until a friend induced me to take Vinol. I began to note good results from the first bottle. I continued its use and am now sound and well as ever."

In health one cannot realize how depressed a person may become after trying one remedy after another without benefit for such a condition as Mr. Furman was in, or what a relief it is to find help and be restored to health and strength.

It is the combined action of the medicinal curative element of cod's livers without the greasy oil, aided by the blood-making and strengthening properties of tonic iron, that makes Vinol so efficient in building up the weakened run-down system.

We guarantee Vinol to give you perfect satisfaction. Oread-Henry Drug Co., Maryville, Mo.—Advertisement.

Posse Is Chasing Supposed Incendiary.

Aberdeen, S. D., Nov. 28.—A sheriff's posse is on the trail of a stranger who is believed to have set fire to the buildings on the Isaac Lincoln ranch, near here. A man, who was seen about the ranch during the day, attempted to hold up an automobile, ordering the driver to take him to Rock Port. Later he appeared at a farm house and, with drawn revolver, ordered supper and demanded that he be given lodging for the night. The farmer telephoned the sheriff, but the man became suspicious and left before the officer arrived. He is believed to be insane.

REGARDING Wiring of Houses After Same are Occupied

Many people suppose that a house which is built and occupied cannot be wired without tearing same to pieces. This is an erroneous idea. We can and do wire many houses of this description without even disturbing the furniture in the greater part of the house. We replace everything as found. Should it be necessary to take up any carpets on the second floor we relay same, and in fact if you were out of the house until we had finished the only evidence of our visit would be a modern lighting system, which after using you would never be without. Let us call and figure the cost. It is less than you think. Electricity is no longer a luxury and is the only household necessity which has become appreciably cheaper in the last years.

MOTHER! IF CHILD'S TONGUE IS COATED

If Cross, Feverish, Constipated, Bilious, Stomach Sour, Give "California Syrup of Figs."

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleaning" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup company." Don't be fooled!—Advertisement.

THANKSGIVING DAY

BUSINESS HALTED AND CHURCHES JOINED IN GENERAL OBSERVANCE

THE CHILDREN'S DINNER

By the Elks Was a Big Affair, Sixty of Them Being in Attendance—They Had a Good Time.

Thanksgiving services yesterday morning at the First M. E. church were well attended and very effective. The proclamation was read by Rev. L. M. Hale and the sermon preached by Rev. S. D. Harkness. The special music was a solo by Rev. G. S. Cox, "Fear Not Ye, O Israel," by Buck and an anthem by the choir, "The Earth is the Lord's," by Simper.

Rev. Harkness departed from the usual order of Thanksgiving sermon and went to the heart of the matter in a beautiful and appealing sermon on the text "In everything give thanks." He showed how it was the spirit of Paul, of Christ and His followers to give thanks not only for the things of prosperity and peace, but that every experience of life was to be taken as a gift of God and our whole life was to be lived upon the high plain of gratitude to the Father.

The Elks' Dinner.

The Thanksgiving dinner given at the Elks clubhouse for the poor children of the city by that club was a great success, and there were sixty children in attendance. The dinner was held in the basement of the club and consisted of chicken and other good things to eat. There was plenty of ice cream and cake and each child was given candy after the dinner to take home with them.

The children came to the club about 12 o'clock and were entertained in the lodge hall with music by Glenn Goff. Dinner was served about 12:30 o'clock.

Many of the children said that they ate so much that it will be a day or so before they will eat again. And they had a great time, as they were all happy and glad.

The Elks will make this an annual affair for these children between the ages of 6 and 15.

WILL HAVE NURSERY.

Benight will have charge of the nursery. The nursery is established so that the fathers and mothers and other people will not be disturbed during the services. The nursery will also be conducted during the revival meetings of the church.

HEARING SET FOR TUESDAY.

The Preliminary of Movis and Jim Conklin Postponed From Today Until That Time.

The preliminary hearing of Movis and Jim Conklin which was set for today was put off until next Tuesday when the case was called today before Justice R. L. McDougal. The boys are charged with assault on Charles Bramble, the fight taking place in the Owls' club rooms last Saturday night.

Young Man Badly Hurt.

Robert Wilson, about 30 years old and a married man of the Wilcox community, while in Wilcox Wednesday night met with a painful accident. The flag pole in that village was being taken down and the rods that have held the flag fell and struck Mr. Wilson on the back of his head, cutting a deep gash. He was brought to St. Francis hospital on Thanksgiving day and will be laid up for some time.

WHAT QUISENBERRY SAYS.

About John S. Gross' Hen That Won in the Second Egg Laying Contest.

The following is what T. E. Quisenberry, director of the state poultry experiment station, has to say about the hen of John S. Gross of this city, that won first prize in the second national egg laying contest that recently closed at Mountain Grove, Mo.:

A dainty little Rose Comb White Leghorn pullet from Maryville, worn and ragged because of her year's hard work and weighing only two and three-fourth pounds, won the prize for the best individual record with 200 eggs. She laid twelve times her own weight in eggs. She manufactured more pounds of eggs from her body weight than any hen in existence.

Mr. Gross received \$20 for winning the first prize.

Crawford & Sayler who won fourth prize in the contest with their hen received \$5.

HIGH SCHOOL NOTES.

By Lee Strickler.

The Ancient Order of Disciples of Demosthenes held a meeting in the history room Monday morning and voted membership to Paul Thompson and Paul Willson.

The boys of the first basket ball team received new suits the first of the week. They consist of red jerseys with white stripes about the body, short khaki colored pants and red hose with white stripes.

Yell books have been published by the athletic association, and after being distributed among the members of the high school Wednesday morning the various yells were practiced, being led by Jack Holt.

The Ancient Order of Disciples of Demosthenes held a debate in the history room at 4 o'clock Wednesday. The question was, "Resolved, that strikes have improved the conditions of working people." The affirmative won the debate, the speakers being: Affirmative, David, Ramsey and Sawyers; negative, Crowson, Murray and Reynolds.

School was dismissed Wednesday afternoon for the Thanksgiving vacation. It will take up again Monday.

The first basket ball team played at Bedford Thanksgiving with the Bedford high school team. They were defeated, the score being 51 to 42. The members of the team that made the trip were Miller, David, Scott, Willson, Thompson, Murry and Vandisloot.

The second basket ball team of the high school defeated the Ravenwood high school team on Thanksgiving by a score of 18 to 17.

A GOOD EXHIBIT HIS LAST SERMON

DISPLAY IN MONTGOMERY SHOE CO.'S WINDOW.

DR. FOOTE TO GIVE CLOSING ONE THIS EVENING.

TRAINING SCHOOL WORK

A Number of Towel Rollers and Bookends Made at Normal Under Direction of Glen Luken.

REVIVAL CLOSE SUNDAY

Rev. Randolph to End Meeting—There Have Been Eleven Additions to the Church.

This morning the Montgomery Shoe company placed in their show window a number of towel rollers and bookends made by the seventh and eighth grade boys of the training school of the Fifth District Normal.

The exhibit consists of work done in the term of ten weeks just passed, and when it is taken into consideration that the program only allows three periods a week for this work, we can see that the boys have done quite well.

Under the direction of their teacher, Glen Luken, they first made a mechanical drawing of the project upon which they were to work. The next step was to make the lumber bill, find how much lumber would be required for all, and how much would be required for each. After this was done they made the mill bill, got out their pieces from or by the mill bill and then began the actual work of construction.

While these pieces are small and of little worth, yet in their construction are involved some of the more difficult points that the wood worker has to meet.

The problems in these constructions were measuring, squaring, marking, sawing, planing, gauging, chamfering, boring, chiseling, scraping, sanding and finishing. When it is taken into account that all of this work was done by hand, with hand tools, by ordinary school boys of the seventh and eighth grades, we feel that we will have to modify our criticism of the public school system and admit that some schools do teach some of the practical things of life.

A FINE ENTERTAINMENT.

Children of Ward Schools Delighted a Large Audience at the High School Auditorium Wednesday.

It would indeed be difficult to tell all the merits of the entertainment given by the children of the ward schools of this city last Wednesday evening in the high school auditorium. The children performed their parts so well and showed the training they had received from their teachers so creditably that it would be repetition from start to finish to tell about each one on the program. It was a Thanksgiving program, and that is the reason, we are quite sure, that everyone looked so happy Thanksgiving day, the spirit of thankfulness got such a good start through the children's entertainment.

The Indian play was great, forty little folks in Indian costume presenting a scene from Hiawatha.

Margaret Louise Hosmer was the exact picture of a little Puritan Maid in her recitation, while movements given from the minut to twenty wee women in complete colonial costume was the sweetest sight one could wish to see. And then the pumpkin drill, and the first Thanksgiving, and the recitations by Donald Goforth, Olive Ewing, Edward Tindall, Elwyn Broyles, Eldon Green, Dorothy Allen, and—well, every bit of it, by those whose names we do not know were fine. And every boy and girl deserved a fine dinner next day for the pleasure they gave to all who heard them, and we hope they got it. Teddy Borcher was the star dancer in the last number, "A Swedish Folk Dance," by twelve boys, but they were all good dancers.

Mr. and Mrs. T. K. Wray and daughters were Thanksgiving day guests at the home of Mrs. Frank Hinton.

Mrs. Ben King, living north of Maryville, went to Creston Wednesday and visited over Thanksgiving with her daughter, Mrs. W. J. Crigger.

DIED AT THE HOSPITAL.

Floyd Miller of the Star Theater Died Friday About 1 o'Clock, After a Week's Illness.

Floyd Miller, proprietor of the Star theater, died about 1 o'clock Friday afternoon at St. Francis hospital, after a week's critical illness of uremic poisoning.

Mr. Miller was taken seriously ill about a week ago but had not been feeling well for several days before that, but was able to attend to his business. Last Tuesday he was taken to St. Francis hospital for treatment. He was thought to be improving Tuesday and Wednesday, but his condition became worse Thursday night.

No funeral arrangements have been made. Mr. Miller was born in Maryville, October 1, 1875, and was a son of Mrs. Wesley Shroyer of this city. He was twice married, the first time to Miss Mary Johnson of York, Mo., whose death occurred three years ago. His second marriage was to Miss Dessa Pearl Cox of Maryville, daughter of Mr. and Mrs. John B. Cox. They would have been married two years had he lived until the first of January. He is survived by his wife and 9-months-old daughter. Also two brothers and two sisters.

CAUGHT A BIG EAGLE.

It Was a Gray Eagle and Measured Over Seven Feet From Tip to Tip.

While Henry Markwell and Jim Sheridan of this city were out hunting Thanksgiving day on the 102 river on the Goodspeed farm, southwest of the city, they captured a big gray eagle, measuring seven and a half feet from wing to wing. They shot its wing and capture was easy after that.

This eagle has been seen in that community for a few years and is probably the only one known in the county. An eagle in these parts has not been seen or captured for a long time. The eagle was still alive Friday and is being kept by Charles Jensen.

DIED IN ENSWORTH HOSPITAL.

A Young Man of Near Ravenwood Was Victim of Dropsy—Was 21 Years Old.

Cleo Redman, the 21-year-old son of Mr. and Mrs. Albert Redman, living southeast of Ravenwood, died Friday morning at 7 o'clock in Esworth hospital in St. Joseph of dropsy. The body was brought to Ravenwood Friday and taken to the family home. The funeral arrangements have not been made.

The young man was born at Center Grove, in Gentry county, twenty-one years ago. He is survived by his parents and eight younger brothers and sisters, all at home.

Dr. R. E. Hamilton will lead the Esworth League and the subject will be "The Foreigner in America."

FROM WHITESVILLE

FOURTEEN CAR LOADS OF BOOSTERS VISITORS THURSDAY.

Have Been Making Trips for Several Days to Boost Show on December 8, 9, 10 and 11.

Fourteen car loads of people from Whitesville arrived in Maryville Thanksgiving day about 12:30 o'clock and spent about two hours here. It was a company of good looking and representative people of the Whitesville community, who were advertising the corn and poultry show that is to be held at Whitesville, December 8, 9, 10 and 11. The Whitesville people have won such good standing as corn and poultry raisers that they are eligible to the interstate list, and will make the coming December show that kind of an affair. The big event of the show will be the banquet on the evening of the 10th. All corn and poultry raisers assured of a profitable time and are invited to come.

The Whitesville boosters are live people, and for several days have been making trips in several directions out from their town in the interest of their show. The first of the week thirty-five cars from their town, headed by the Whitesville band, drove to St. Joseph and were guests at a luncheon at the Robidoux hotel, given them by the retail dealers of the city and the stock yards dealers.

The party to Maryville Thanksgiving day took dinner with the ladies of the First Baptist church in the church parlors. Those in the party were Mr. and Mrs. J. T. Pugh and son, Mrs. H. D. Leader, Charles Mansfield and family, Mr. and Mrs. L. S. White, Mr. and Mrs. A. C. Edwards, Miss Elsie Edwards, Mr. and Mrs. David Gebhart, Mr. and Mrs. George White and son, Miss Minnie Stealey, J. The attorney general is investigating the egg question and congress threatens to punish the cold storage men. An egg that has been in storage for months and sometimes years is absolutely unfit to eat and its use should be prohibited.

young, they have been well trained for the responsibilities they will assume at Parkdale, and will fully sustain its splendid reputation of the past in social and business life.

As the bride went upstairs to prepare for her wedding journey, she threw her bouquet away from the upper landing, and it was caught by her cousin, Miss Marie Brink, all the guests agreeing it was a fair catch, and that the earnest of that sweet prophecy of wedding affairs will come true one of these fine days.

Of the many beautiful wedding gifts received by the bride, one of special value to her was a handsome guest book from Miss Nellie Douglas, containing account of all the pre-nuptial affairs. Each guest's name was inscribed therein before departure.

Mrs. Bellows studied three years at Drake university in Des Moines after finishing the schools of our city. She is an active member of the First Christian church, and though she has always been an acknowledged favorite in every circle she has moved, she has reached young womanhood unspoiled, and is ready to begin her duties with the clear vision of a gentle, sensible, cultured, Christian woman.

Mr. Bellows studied two years at Northwestern university at Evanston, Ill., after finishing the Maryville schools, and last June completed a three years course in the agricultural college at Ames, Ia., and is a member of the Phi Kappa Psi fraternity. He has been a valued assistant to his father for several years, and is in every way worthy of his fair young bride.

The bride, always winsome and fair to see, was beautiful in her robe of white silk crepe meteor, fashioned in simple and becoming drape style, in train, with soft trimmings of lace, chiffon and pearls. Her long white veil was held in place by small clusters of orange blossoms. Her bouquet was of bride roses and orange blossoms. The orange blossoms were the gift of Mrs. F. O. Hubbard of Los Angeles, Cal. The only jewelry worn by the bride was the bridegroom's gift, a gold filigree lavalier.

The bride's traveling suit was of Saxe blue wool poplin, with a small black lace trimmed hat.

After congratulations and happy wishes from the company, all were served to a wedding luncheon in the dining room, where pink and white chrysanthemums were exclusively used for decoration in the bridal colors, pink and white. Serving in the dining room were Mrs. Arch K. Frank, Miss Clara Bellows, Mrs. Fayette Bellows and Mrs. Fred Kurtz, assisted by Misses Nelle Conrad, Helen Dunn, Gertrude Wright, Grace Sturm, Marie Brink, Mary Frank, Mildred Bellows and Mildred Robinson.

Many lovely gowns were worn that combined in making a pretty setting for the unusually attractive bridal couple.

Mrs. Roseberry, maid of honor, wore pink charmeuse with trimmings of marabou, lace and pearls.

Miss Marie Brink, pale green charmeuse with overdress of flowered chiffon, trimmed in pink rosebuds and lace, and corsage bouquet of violets.

Miss Helen Dunn, pale blue charmeuse with lace trimmings.

Mrs. W. C. Frank, pale gray silk poplin, simply fashioned with touches of lace.

Mrs. C. D. Bellows, white charmeuse with lace trimmings.

Mrs. F. J. Dunn, light tan silk with lace.

Mrs. Arch Frank, white embroidered voile and lace.

Mrs. J. R. Brink, black and white crepe de chine.

Miss Mildred Robinson, brocaded chiffon in light blue, trimmings of shadow and silver lace.

Miss Grace Sturm, pale blue brocaded chiffon, trimmed in French rosebuds of pink and shadow lace, with band of brilliants in her hair.

The bride and groom left on the 9:47 Wabash train for St. Louis on a short honeymoon trip. They will be at home at Parkdale, the widely known Bellows stock farm, two miles southwest of Maryville, before many days.

They start the journey of life together propitiously. Though quite

A MYSTERY SOLVED OR HOW to BUY a PIANO CHEAP

Read and Be Convinced

Since closing out our store, some two years ago, we have been selling pianos and players direct from factory to our customers, placing same in their homes if necessary, for their inspection, and to try out to their own satisfaction. We find this new plan of selling direct from factory very satisfactory to both us and our customers as well. By this plan we are enabled to save many dollars, in the way of expenses, such as store rent, extra freights and drayage, electric lights, hired help, etc., which must naturally be added to prices where a store is maintained. We have had this plan in mind for some time, but could not adopt it until we could get lined up with the proper manufacturers. This we have done, both with the well known Hallett & Davis Piano Co., Boston, Mass., and the old popular Packard Co. of Fort Wayne, Ind., both time tried companies. Many of these pianos were sold by us twenty years ago, and have stood the test of time, and are good for twenty years more. By our new selling plan we are in a position to give our customers a strictly high grade instrument for less money than our competitor can afford to sell the inferior grades, so it is needless to own a poor piano and pay an exorbitant price. We sell these high grade pianos on easy terms if desired, with heavy discounts for cash, where one wishes to take advantage of the cash basis. Remember, we sell one of the most reliable Player Pianos on the market today, that has proved itself very durable, and has never given our customers using same a moment's trouble. This player is known as the Virtuolo, made by the Hallett & Davis Piano Co., Boston, and has been nationally advertised by them in many of the leading magazines, Saturday Evening Post, Collier's and others, at a cost of fifty thousand dollars. This Virtuolo player has become very popular for many reasons: Plays with better expression, very simple to manipulate, operator has perfect control and can make the softest possible tones, and at will can play with the power of an artist. And with our plan of selling direct from factory you can own one of these distinguished Player Pianos for about the price of an ordinary piano. If interested in a piano or a player piano, write us for description and prices, which we will gladly furnish, and mail you our little book, called "Inner Beauty," showing the possibilities of this wonderful Player Piano. Take one into your home, try it out thoroughly, compare it with any of the other makes, and note the results.

Better Than the Robidoux.

The ladies of the First Baptist church met with their biggest dinner success Thanksgiving day, from which they realized \$109. Fully fifty more people could have been cared for had the good things held out, but everything was eaten, and the cooks and waiters had to go home for a good dinner. The coming of the fourteen car loads of boosters from Whitesville was not known in time to prepare extra turkey for them, but the ladies served them so well that they declared they fared better than on the day previous at the Robidoux in St. Joseph, where everything was done up in great style, but no so much to eat.

The Interest Rate

Which we should pay to our depositors has been a matter of very considerable investigation and serious consideration on our part, and after ascertaining the rate of interest paid in other sections of the country by successful institutions which include our nearby city of St. Joseph, and considering this company's income from other sources and the fact that it proposes to practice all possible economy, the directors of the GILLAM-JACKSON LOAN & TRUST CO. have felt justified in allowing

AFTER GRIPPE,

Made Strong by Vinol.
John C. Furman of Clarion, Pa., says: "After a very severe attack of the grippe my system was in a weakened, nervous and run-down condition; I had no appetite at all. I was obliged to continue with my work, and nothing seemed to help me until a friend induced me to take Vinol. I began to note good results from the first bottle. I continued its use and am now sound and well as ever."

In health one cannot realize how depressed a person may become after trying one remedy after another without benefit for such a condition as Mr. Furman was in, or what a relief it is to find help and be restored to health and strength.

It is the combined action of the medicinal curative element of cod-livers without the greasy oil, aided by the blood-making and strengthening properties of tonic iron, that makes Vinol so efficient in building up the weakened run-down system.

We guarantee Vinol to give you perfect satisfaction. O'rear-Henry Drug Co., Maryville, Mo.—Advertisement.

Posse Is Chasing Supposed Incendiary.

Aberdeen, S. D., Nov. 28.—A sheriff's posse is on the trail of a stranger who is believed to have set fire to the buildings on the Isaac Lincoln ranch near here. A man, who was seen about the ranch during the day, attempted to hold up an automobile, ordering the driver to take him to Grotton. Later he appeared at a farm house and, with drawn revolver, ordered supper and demanded that he be given lodging for the night. The farmer telephoned the sheriff, but the man became suspicious and left before the officer arrived. He is believed to be insane.

REGARDING Wiring of Houses After Same are Occupied

Many people suppose that a house which is built and occupied cannot be wired without tearing same to pieces. This is an erroneous idea. We can and do wire many houses of this description without even disturbing the furniture in the greater part of the house. We replace everything as found. Should it be necessary to take up any carpets on the second floor we relay same, and in fact if you were out of the house until we had finished the only evidence of our visit would be a modern lighting system, which after using you would never be without. Let us call and figure the cost. It is less than you think. Electricity is no longer a luxury and is the only household necessity which has become appreciably cheaper in the last years.

MOTHER! IF CHILD'S TONGUE IS COATED

If Cross, Feverish, Constipated, Bilious, Stomach Sour, Give "California Syrup of Figs."

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleaning" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fly syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup company." Don't be fooled!—Advertisement.
